Members to Benefit from New Agreement Between Amerinet and Strategic Outpatient Solutions

Amerinet Inc., a leading national healthcare group purchasing organization, announces a new agreement with Strategic Outpatient Solutions for strategic advisory services for surgery centers, clinics, hospitals and physicians.

Effective April 1, 2009, through March 31, 2012, the contract offers Amerinet members including ambulatory surgery centers, hospitals, physicians and clinics substantial savings on the development and implementation of solutions that significantly improve the profitability, efficiency and patient satisfaction of their outpatient services.

About Strategic Outpatient Solutions

Strategic Outpatient Solutions (“SOS”) is a strategic advisory firm that works with ambulatory surgery centers, physicians, clinics, and hospitals to develop and implement strategies that focus on enhancing profitability. Its management team has a proven track record of developing and executing strategies that have yielded profits well above industry averages. SOS maximizes revenues and profits utilizing innovative tactics and customized strategies that deliver exceptional value and results.

For surgery centers, SOS offers a selection of services that range from strategic analysis and advisement to comprehensive management solutions. For ASC management companies, SOS offers strategic advisory services that target discrete areas to bolster their ASCs’ bottom lines. For hospitals, physicians and clinics, SOS provides strategic analysis aimed towards developing and implementing a profitable model for delivery of outpatient services.
